PRESIDENT'S MESSAGE

GREG BORZILLERI

As we embark on another year of service and impact, I am filled with immense pride and gratitude for the remarkable strides our organization made in 2024. I am especially thankful for our outgoing President, Mr. Brian Henry. His leadership this past year has been nothing short of exemplary.

The year 2025 marks not just a new year on the calendar but a significant milestone in our journey. This year, we will be celebrating our 35th anniversary as a Chapter! We plan to make 2025 a year-round celebration of who we are. Our Chapter is ready for a revival—not just by returning to our roots, but by jumpstarting our future. As our mission to “advance the community association industry through a positive image, professionalism, advocacy, education, and networking” continues to drive us, we remember that the support of our membership has been nothing short of transformative.

In 2024, we witnessed extraordinary progress thanks to your unwavering commitment and belief in our Chapter. From pushing through all challenges presented (despite obstacles, to ensure program and event success) to transitioning to a new Chapter Executive Director, your support has been instrumental in bringing our vision to life. It is through collective effort and shared passion that we have been able to make such meaningful strides.

Looking ahead to 2025, our focus remains steadfast: to enhance our impact, broaden our reach, and deepen our connections within the community. We are excited to introduce four main Chapter goals for the coming year:

1. Exceed 725 members with a 90% retention rate.
2. Operate at a 5% profit margin minimum to increase Chapter strength and stability.
3. Constantly create the best value for all our members.
4. “Build Your Bench” – Identify and support future Industry, Homeowner Leader, and Manager talent, including developing a manager mentoring program to help more community managers earn their designations.

These initiatives are designed to keep our goals simple, trackable, and to help propel our Chapter to the forefront of not just CAI in California, but across the nation.

We are embarking on this journey with a renewed sense of purpose and optimism, and we invite you to continue being an integral part of this mission. Your involvement—whether through volunteering, advocacy, or financial support—is crucial to our success. Together, we can create lasting change and build a brighter future for those we serve.

Thank you for your continued dedication and support. Let's make 2025 the year the Greater Inland Empire Chapter STRIKES BACK!

With heartfelt gratitude,

Greg Borzilleri

CHAPTER PUBLICATIONS

'25 CONNECT MAGAZINE AND '26 MEMBERSHIP DIRECTORY

In 2021, the Chapter made the decision to combine its annual *Membership Directory* and the first issue of *Connect Magazine* into one publication, which offered a number of benefits to advertisers. The size of the Directory increased in size to 8.5"x11" and ad space is being offered in more sizes which provides companies with a smaller budget to still find advertising opportunities. The feedback we received was extremely positive, so we will continue with this format moving forward.

We will publish four issues of *Connect Magazine* in 2025. The first issue of the year will contain both magazine content and the 2026 *Membership Directory* with listings as of November 29, 2025. All magazine issues will be available for download from the Chapter website, cai-grie.org.

If you have questions or want to explore unique advertising opportunities using *Connect Magazine* that aren't shown here, contact the Chapter Office at 951-784-8613 or at info@cai-grie.org.

SPONSORSHIP OPPORTUNITIES

In 2023 www.cai-grie.org received a new look with features that make it easy to:

- Sponsor and sign up for events.
- Search for service providers.
- Find industry resources and education.
- Follow Federal and California legislation that affects the common interest development industry.

Take advantage of the opportunity to keep your company in front of Community Managers and Homeowner Leaders who need your products or services. New features are introduced regularly, driving traffic, and increasing your opportunity for brand exposure through sponsorship.

Our Social Media platforms (Facebook, Instagram, LinkedIn) provide additional opportunities to highlight your company. With 1,500 followers, we are seeing great engagement and reach due to our encouragement of post tagging and sharing.
